based on the hit usa network series the 4400 an original novel about a group of 4400 people taken out of their time and returned to the present day with special powers only no one including them is sure if they are a force for good or for evil over nine thousand people were killed in seattle when promicin was unleashed within the city limits now the federal government has to decide how to deal with citizens who have powers and abilities that cannot be legislated an uneasy truce has arisen between jordan collier the self styled leader of the 4400 and the federal government while he stopped more people from being killed collier was the one responsible for unleashing promicin on the world now governments around the world have to wonder just who controls these powerful people and just what are collier and the 4400

going to do next

4400 taken 4400 returned all were given startling new abilities now if you are willing to risk it all you too can be extraordinary is this what the future intended to ensure the survival of the human race promicin which kills half of those who dare to inject it and grants paranormal abilities to those who survive is spreading across the globe and threatening to plunge the entire world into chaos one year has passed since jordan collier and his followers seized control of seattle and renamed it promise city u s armed forces have surrounded seattle and each day brings collier and his promicin positive movement closer to all out war with the world s greatest military superpower however the real threats are the marked agents from the future whose identities are encoded into body hijacking nanites they were sent back to thwart the efforts of the 4400 the last three surviving marked lurk in the shadows working in secret as they prepare to deliver a deathblow to the planet caught in the crossfire are ntac agents tom baldwin and diana skouris his son kyle and her thirteen year old adopted daughter maia are both more loyal to jordan s movement than to them and when the standoff between collier and the u s military explodes into open conflict tom diana and fellow agents wind up outnumbered and outgunned in the end the fate of all mankind will rest in the hands of one man tom baldwin
